University Microfilms International, Ann Arbor, Mich.

Subject Index to Volume 3

A

Admixture services, NCCLVP's expert panel on quality assurance in hospital, 34
ANA, 142
Anticoagulant therapy, new ideas in, 181
Arterial, intra, access, 160
Arterio-venous access, 214

B

Bacteria, aerobic, gram-negative, *in vitro* sensitivity patterns to Tobramycin and Gentamicin in three community hospitals, 23
Book review, 179
Brain metastasis, patient, ultimate challenge, 119

C

Cardiopulmonary resuscitation, role of professional within community, 117
Catheters
  concepts in placement of and nutritional support of burn victims, 208
  intravenous, polypropylene and fluoroethylenepropylene, comparison of the incidence of phlebitis, 45
  plugged, never irrigate, 26
Chapter News, 29, 99, 131
Chemotherapy, basic concepts in, 122
Compounding dilemma, I've kept drug sterile, but have I contaminated myself?, 77
Crossword puzzle, 128, 185

D

Death, professional adjustment to, 124

E

Editorial, 10, 43, 73, 105, 153, 200

F

Federation of Specialty Nurses Organization, 142, 190

H

Handwashing, accountability translated into action, 13
Hyperalimentation, special interest group, 179, 234

I

Intra-arterial access, 160
I.V. Nurse Day, 155
Intravenous therapy
  additives, stability in large volume parenterals, 57
  administration interface, goals and objectives, 89
  antibiotics, rational use of, 157
  catheters, a new generation, the third option, 203
    silicone elastomer central venous, use of in patients with cancer, 245
  education, role in the hospital orientation program, 27
  fluid, guidelines for changing administration sets, 175
  neonatal responsibilities of I.V. therapist, 169
  new products in, 193, 236, 255
  nursing care, specialty, 79
  nursing home, 130
  pediatric, emphasis in, 165
  policies and procedures, 187
  team, cost justifying the implementation of, 217
    growth of, a current measurement, 87
    impact on patient care at Deaconess Hospital, part I, 49
    impact on use of registered nurses' time, part II, 91
  workshop, problem-solving in action, 126

M

Medical record, medicolegal aspects of, 242

N

National Intravenous Therapy Association
  Atlanta convention, 32, 144
  Boston convention, 251
  Executive Director's report, 107
  Financial statements, 110
  membership application, 36, 68, 255
  National Committee on Education, 35, 96, 139, 140, 195, 257
  National Office, 9, 41, 108, 232
  pins, 212
  Standards of Practice, 133, 234
National Coordinating Committee on Large Volume Parenterals, 34, 142, 241
Notice to Contributors, 11, 44, 243
Nurse Day, I.V., 155
Nursing education and teaching, comments on, 249

P

Phlebitis, comparison of incidence of, using polypropylene and fluoroethylenepropylene intravenous catheters, 45
Presidential address, 113
  letter, 12, 44, 75, 202

T

Tips & Techniques, 66, 174
Transfusion, leukapheresis and granulocyte, 115

V

Venipuncture, considerations for, selection, utilization and maintenance, 238

Acknowledgment

The authors wish to express their gratitude to all members of the Infusion Therapy Team at M. D. Anderson Hospital for their hard work in making this modality of patient care possible. Special thanks also go to the MDA Director of Nurses, Joyce Alt, and to all Unit staff cooperating and promoting Team work.
